# Annual Convention

---

The Alabama Propane Gas Association is holding its 61st Annual Convention July 14-16, 2011 at the Perdido Beach Resort in Orange Beach, AL. The Convention Committee, chaired by Daniel Dixon, has rearranged the agenda to allow for fun and fellowship, but also information gathering.

The convention will start Thursday, July 14th, with a deep sea fishing trip. The Welcome Reception, which is sponsored by the APGA Supplier Fund, will be held that evening. After the reception, you will have plenty of time to enjoy a good seafood dinner at your favorite beach restaurant!

Friday, July 15th, will start with the Suppliers meeting followed by the APGA Annual Board of Directors/ Membership meeting. This year, the committee has arranged a Family Luncheon so that families can enjoy more time together and listen to two great football quarterbacks of the past. After the luncheon, everyone is invited to stop by and make a Mardi Gras Mask for the exciting Mardi Gras event on Saturday night. The

rest of Friday afternoon is up to you! We will end Friday with the Dessert Extravaganza and Reverse Raffle. All registrations include at least one ticket per person...additional tickets can be purchased on the registration form. This event will raise funds for our Sponsorship program. You are encouraged to bring your children free of cost.

The Golf Scramble will be the morning of Saturday, July 16th at Kiva Dunes...remember the 1st tee time is 8:00 a.m. To wrap up the convention, join us Saturday evening for a Mardi Gras Celebration to be remembered by all!

The APGA Annual Convention has always been a family friendly event. I encourage you to bring your family and meet up with old industry friends and new ones as well.

I look forward to seeing you there!

## FAMILY LUNCHEON with Invited Guests

Friday, July 15th, 11:00 a.m. - 1:00 p.m.

APGA is pleased to invite you and your family to the Family Luncheon on Friday, July 15th. We have set this time aside for everyone to come together for a special presentation. The state of Alabama is known for its football rivalry!! If you live here, you know you have to pick one or the other....that being Alabama or Auburn!! Well...not this time!! APGA is excited to bring together two football stars from the past...Stan White (Auburn Quarterback) and Tyler Watts (Alabama Quarterback).

**STAN WHITE** - Stan is a graduate of W.A. Berry High School which is now Hoover High School. He went on to play quarterback at Auburn University where he started every game from his freshman year until his senior year, a total of 45 straight games. During that span, he set numerous school records that still stand today. Stan received many honors as well as being named to Auburn's Team of the Decade for the 1990's. After playing for the New York Giants from 1994-1997, Stan returned home to Birmingham and now owns a State Farm Insurance and Financial Services Agency.

In 2001, Stan took on the duties of Auburn's Radio Color Commentator for Auburn Football. He also host several sports talk shows during the Fall football season.

**TYLER WATTS** - Tyler is a graduate of the University of Alabama where he played quarterback for two years. Tyler was a Freshman All SEC, Team Captain for two years and four time Academic All SEC. In his freshman year at Alabama (1999), Tyler came in as QB for the trailing Tide in the 3rd quarter playing Auburn and led his team to their first victory in Jordan Hare Stadium. He now owns a Nationwide Insurance and Financial Services Agency. He also enjoys his time as a color analyst for CSS.

Stan and Tyler both enjoy traveling across the Southeast speaking to avid sports fans that share some of their same passions. They believe that their experiences in the sports arena have helped them evolve into the successful business people and strong Christians they are today.
