Notice to Customers Making Payment by Check

If you send us a check, it will be converted into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours, and will be shown on your regular account statement.

You will not receive your original check back. We will destroy your original check, but we will keep the copy of it. If the EFT cannot be processed for technical reasons, you authorize us to process the copy in place of your original check. If the EFT cannot be completed because of insufficient funds, we may try to make the transfer up to 2 times.

Registration Fee Table

As Amended by the Final Rule of January 9, 2003

The current registration fees were established in a Final Rule published in the Federal Register on January 9, 2003. This rule established one set of fees for registration years 2003-2004 through 2005-2006, and a second set of fees for 2006-2007 and following. The previously established fees for registration years between 1992-1993 and 2002-2003 were not altered.

One, two, or three year periods of registration are permitted for years beginning July 1, 2000, and later. The fees for all possible registration periods and business types are listed in this table. All fees include the appropriate processing fee.

If you are a not-for-profit organization registering for 2001-2004, 2002-2004 or 2002-2005, you must pay the fee in the column titled "Small Business/Non-Profit" if you meet the SBA size standard for a small business, and the fee in the column titled "Not-Small Business/Non-Profit" if you do not meet that standard.
