

**Alabama Propane Gas Association
Hazardous Material/Security
Awareness Training**

This course is for New Employees and/or CSRs.

The Alabama Propane Gas Association continues to offer Hazardous Materials training that complies with 49 CFR 172.704 except for in-depth security training. This training is required for any employee that has the potential to be exposed to a hazardous material. **This course is required for new employees within 90 days of hire and serves as the 3 year recurrent training for Customer Service Reps (CSRs).** The proper handling of cylinders is included in this course. **APGA reserves the right to cancel dates if adequate registration is not received.** The cost of this course is more than \$125 per attendee; however, APGA is offering it at a reduced cost of only **\$75 per attendee.**

(Course includes: course material, breaks and lunch)
