

Alabama Propane Gas Association

TRACPIPE BY OMEGAFLEX Training/Product Review

Tracpipe by Omegaflex will hold a course at the Alabama Propane Gas Association Training Center for training and product review. The course will cover proper techniques and best practices for commercial and residential CSST installations of Tracpipe, Counterstrike and PS II. The course will also cover sizing software available as well field demonstrations. A certificate of training will be presented at the completion of this course. **We reserve the right to cancel the course if adequate registration is not received.**
